

VIETNAM - CAMBODIA
4 JAN 2023- 18 JAN 2023

VIETNAM- Greetings from Vietnam. Located in Southeast Asia, Vietnam is a small and beautiful country with victorious history, profound patriotism and wonderful landscapes. Exploring the beauty of the country with its people and culture should be done once in one's lifetime. It is also the land of smiles, warm hospitality and generosity.

This trip will bring you a chance to visit our Ho Chi Minh City which is a popular tourist destination due to its fascinating culture, classic French architecture, and sleek skyscrapers as well as ornate temples and pagodas. The city is also filled with rooftop bars that overlook Saigon and beyond, while fantastic restaurants offer a combination of French, Chinese, and, of course, local Vietnamese cuisine.

Just a short move, let's explore Ben Tre Province - the Kingdom of coconut tree. You will find out a unique charm with millions of coconut trees, and original products.

CAMBODIA- Welcome to heaven on earth. Angkor is the earthly representation of Mt Meru, the Mt Olympus of the Hindu faith and the abode of ancient gods. The temples are the perfect fusion of creative ambition and spiritual devotion. The Cambodian 'god-kings' of old each strove to better their ancestors in size, scale and symmetry, culminating in the world's largest religious building, Angkor Wat.

Cambodia's sleepy towns and cities are a delight, with their faded colonial architecture and old-fashioned charm, while in the countryside a host of memorable landscapes await, from the mighty Mekong River and great Tonle Sap lake to the remote forested highlands of Rattanakiri, Mondulkiri and the Cardamom Mountains.

Day 13, Mon, 16 Jan 2023: Excursion: Full Day Angkor Temples including Lunch

After Breakfast at hotel, we will meet our English-speaking guide for **Full Day Angkor Temples**

In the morning, we visit magnificent Angkor Wat to view its architecture and bas reliefs. This temple is the largest religious building ever constructed and is truly one of the wonders of the world. Believed to have been undertaken as a temple and mausoleum for King Suryavarman II at the peak of the Khmer empire in the first half of the 12th century, Angkor Wat is the best preserved of the Angkorian temples. We continue to jungle-clad Ta Prohm. This temple was a monastery built by Jayavarman VII as a residence for his mother. Ta Prohm has been controversially left to the destructive power of the

jungle by French archaeologists to demonstrate the awesome power of nature. it has been largely consumed by the jungle and as you climb through the dilapidated stone structures you see many giant trees growing out of the top of the temple itself. Lunch at local restaurant.

In the afternoon, we visit the sites of Angkor Thom. This Royal city was first built under the reign of Udayadityavarman II in the 11th Century. It was destroyed when the Chams from Vietnam rose up against the Khmers and invaded, sacking the city, and was subsequently renovated by King Jayavarman VII at the end of the 12th Century. its vast walls, some 6m wide, 8m high and 13km in length contain many monuments. We begin by visiting the South Gate, flanked by demons and gods engaged in a tug of war to obtain the elixir of immortality. We continue to the Bayon, a temple mountain built by Jayavarman VII. It is situated in the center of the city of Angkor Thom. It is the three-tiered pyramid with its entrance facing east. The central shrine is surrounded by 54 towers all crowned by gigantic faces, representing Avalokiteshvara but with the features of Jayavarman VII. We also visit other important sites in this immense walled city, including the pyramid of Baphuon, Phimean Akas, and the royal viewing stands known as the Terrace of the Elephants and the Terrace of the Leper King. Finally, enjoy the sunset over Phnom Bakheng Temple. Return to hotel and overnight.

Day 14, Tue, 17 Jan 2023: Golf at Phokeethra Country Club

Breakfast at hotel and transfer to golf course for 1 round of 18 holes including caddie and shared cart.

Phokeethra Country Club - 18 holes par 72 (7363 yards)

(home of the Asian Tour's Johnnie Walker Cambodian Open)

Designer: Weeyos Golf Design (Thai Major General Weerayudth Phetbuasak)

The Sofitel-managed Phokeethra Country Club is one of the best courses available in Cambodia. The golf course hosted the 2009 Johnnie Walker Classic and 2010 Cambodian Open. Major renovations in 2018 have brought up the course standards to those set when first opened. The location is perfect for Cambodia golf visitors as it is close to the Siem Reap International Airport. The course itself reflects much having to do with Cambodian culture and

history. For example, between the 9th green and 10th tee is a restored 'Roluh' bridge, which is also the iconic image used in the course's logo, dating back to the 11th century Khmer empire.
